

IRB approval

The Institutional Review Board of DongShin University Gwangju Korean Medicine Hospital approved this study (DSGOH-2023-004)

Institutional Review Board of DongShin University Gwangju Korean Medicine Hospital

Tel:82-62-350-7115 FAX:82-62-350-7551 141, Wolsan-ro, Nam-gu, Gwangju City, 61619, Republic of Korea

Certificate of Approval

Receiver	Principal Investigator	Name	Jae-Hong Kim		affiliation	College of Korean Medicine, Dong-Shin University	
	Support Organization		Ministry of Science and ICT			Position	professor
IRB No.	DSGOH-2023-004						
Title of clinical trial	A randomized, prospective single center clinical trial to compare the cognitive improvement effects of acupuncture and computerized cognitive rehabilitation for mild cognitive impairment					Protocol No. DSS-SSH	
						Ver. 1.0	
Type of research	☐ Genetic testing ☐ Genetic research ☐ Gene therapy ☐ Gene bank ☐ Use of personal data from medical records and biological materials ☐ Survey ☐ Observational study ☐ Human tissue and blood research ☒ Clinical trial (Drug, Medical device, biological medicine ☐ ETC ()						
	Clinical trial	Product	Acupuncture, electrical stimulator		Model	DB106, STN330	
		☒ Academic use ☐ Obtain a domestic license (KFDA) ☐ Obtain a foreign country license (Country:)					
		Phase	☐ Phase 1 ☐ Phase 2 ☐ Phase 3 ☐ Phase 4 ☒ PMS				
Type of review	☒ Regular meeting ☐ Special meeting ☐ Emergency meeting						
Date of review	August 21, 2023						
Approved document list	☒ Protocol (New)			☒ Principal investigator's curriculum vitae			
	☐ Protocol(Supplementation)			☒ Informed consent			
	☐ Protocol(Revision)			☒ Case report form			
	☐ Interim report			☒ study advertisements			
	☐ Completion study report			☒ Compensation for Clinical Trial Participation'			
	☐ Clinical study report			☐ Documents provided to participants			
	☐ Continuous review			☒ ETC(Investigator's brochure)			
Result	☒ Approve ☐ Corrective approve ☐ Complementary approve ☐ Reject ☐ Suspend for approved clinical trial						
Date of approve	August 22, 2023			The date of validity		February 20, 2024	
Reporting period	☐ 3month ☐ 5month ☒ 1year ☐ ETC()						
Verdict	Report to the IRB immediately when the protocol changed by Food and Drug Administration regulations.						

August 22, 2023

Chairman of the Institutional Review Board of DongShin University Gwangju Korean Medicine Hospital

This is to certify that the information contained herein is true and correct as reflected in the records of the DSUGOH Institutional Review Board (DSUGOH IRB).

We certify that DSUGOH IRB is in full compliance with Good Clinical Practice as defined under the Korea Food and Drug Administration(KFDA) regulations and the International Conference on Harmonisation (ICH) guidelines.

ALL DSUGOH IRB APPROVED INVESTIGATORS MUST COMPLY WITH THE FOLLOWING :

1. Conduct the research as required by the protocol.
2. Use only the Consent Form bearing the DSUGOH IRB " APPROVED" stamp.
3. Provide non-Korean speaking subjects with a certified translation of the approved Consent Form in the subject's first language. The translated version must be approved by the DSUGOH IRB.
4. Obtain pre-approval from the DSUGOH IRB of any changes in the research activity (except when necessary to protect human subjects; immediately report to the DSUGOH IRB any such emergency changes for the protection of human subjects).
5. Report to the DSUGOH IRB the death, hospitalization, or serious illness of any study subject.
6. Promptly report to the DSUGOH IRB any new information that may adversely affect the safety of the subjects or the conduct of the trial.
7. Provide reports to the DSUGOH IRB concerning the progress of the research, when requested.
8. Obtain pre-approval of study advertisements from the DSUGOH IRB before use.
9. Conduct the informed consent process without coercion or undue influence, and provide the potential subject sufficient opportunity to consider whether or not to participate.

This is to certify that the information contained herein is true and correct as reflected in the records of the DSUGOH Institutional Review Board.

We certify that DSUGOH IRB is in full compliance with Good Clinical Practice as defined under the Korea Food and Drug Administration(KFDA) regulations and the International Conference on Harmonisation (ICH) guidelines.
